

Acquiring new equipment can represent a large capital investment for your business. That is why we have partnered with Commercial Capital to offer lease-financing solutions designed to help you acquire the equipment you need today to help your business prosper.

Partnering with Commercial Capital will allow you to AVOID the Hidden Fees and End of Lease Traps that are common in the leasing industry. When leasing be mindful of these Hidden Aspects of a lease agreement that create headaches and increase the total cost over the term of the agreement; Forced Automatic Renewals, Late Fees Assessed at 1 day, Certified Cancellation Requirements, and Forced Insurance Fees.

Commercial Capital is a family-owned lease finance company that understands that each business has individual capital-financing needs. They work one-on-one to find the right lease-financing option to best suit each capital equipment purchase. Based in the Kansas City area, Commercial Capital provides capital lease-financing nationwide.

Experience a finance partnership that allows your business to prosper and values a straightforward way of doing business!
